NOTES FROM THE POTE

Imperial is over and Carol and I hope that everyone who attended had a wonderful time. If you did, please let Jeff Kopp and Art Wilson know because both these Nobles worked very hard on this event.

Speaking of events, we have a few nice ones coming up. July 27 is Clippers Night. We are doing something different this year which should be nice. Read about it in the *Lamp*. August 21 is our annual Chicken and Corn roast and Car Show. Ten dollars per person brings your friends and family.

In September, there will be a family film night. There will be hot dogs, chips, snacks, and comedy movies provided by Harnak's Reel Time Films. This is a free event open to nobles, ladies, friends, and family. October 6 will be the night of Randy Riggle. This is a night you do not want to miss. Cost is \$25.00 per person for dinner and program. We will also have a

family Halloween party, hay ride, and wiener roast on October 29. This event is free and open to friends and family. Watch for these events in the *Lamp*. They are activities that will provide an opportunity for you to perhaps bring a non-member and show that individual and his family what the Shrine is all about. Showcase our building, tell them about our philanthropy, and show them a good time. Who knows, we might get a new member.

Don't forget, we have our full ceremonial on October 2. Be sure to get a petition online at www.aladdinshrine.org or stop in the membership office and get one from Jim Badgley or Ill. Sir Calvin Smith. Let's have a good number of candidates in the fall.

Just a few words on the Endowment Fund: Aladdin has collected, so far this year, a little over \$5,000.00 for the fund. These monies are being invested for the future of Aladdin Shrine. If you have not considered the Endowment Fund, or if you are in the process of estate planning, please keep Aladdin in mind. If you require more information about the Endowment Fund, please call the office at 614-475-2609, ext.16 OR 800-475-3850, ext. 16.

Upcoming Visitations: July 17 - Morgan County, July 20 - Audio, July 21 - Zavi, July 24 - Pickaway County, August 4 - Hospitality, August 7 - Voice of Aladdin, August 10 - Monroe County, August 14 - Union County.

Tabloid - Rated A Success

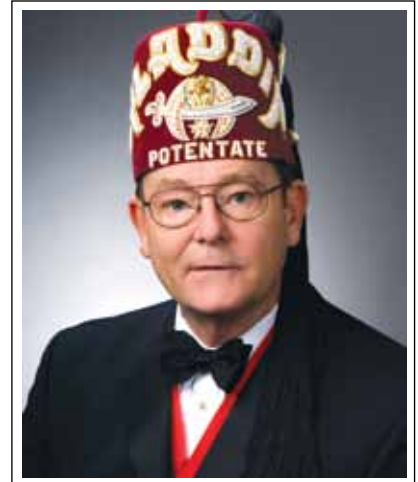

I'm so very proud of the effort, year round, that you all put forth. I'm so proud of the pride you all take in our hospitals. Simply said, I'm so very proud to be a Shriner and to be in the Aladdin Family!

Well, Tabloid 2010 is over, except for the shouting at the Stag Picnic on August 28 when we make our awards presentations. (See results on page 4.)

Last month, I did the "Top 10 Things to do with Leftover Tabloids." I want to thank Guy Guinther of Gallpolis SC and Rich House of Tarhe SC for their entries.

But I must, yes must, award the winner to Mike Clevenger, Past Potentate, for the number one thing to do with leftover Tabloids. (Drum roll please!) **"Wad one up and be prepared to stuff in mouth of a Past Potentate when he rises to speak."** How can you not like that one?

Next month, I'll do the top 10 things to REALLY do with them; although, you must admit Mike's has a certain appeal.

Flying Nobles

by Lee McKelvey

The July meeting of the Flying Nobles was a flyout to Urbana. You can drive to Urbana from Columbus in less than an hour, but it's more fun flying there for the \$100.00 hamburger. That means when you fly and you pay the expense for the plane, your hamburger costs \$100.00.

The trip to Oshkosh is on but the bus won't be completely filled, but that will give everyone a little more space to move around. It will be a good trip but you must bring good walking shoes. On one of the evenings, Dave will take the bus to the other side of the lake to a very good restaurant for those who want to go there. They will have three drivers and those guys are good to be able to maneuver Big Red as they do.

Our August meeting will be at OSU Airport, and we will have the Potentate and Divan visitation at the Shrine Center on September 7. Try to make plans to attend.

Our Chaplain, Jim Paddock, celebrated his 92nd birthdate on June 23. We wish him many more. Jim has been the Flying Nobles chaplain since he joined our club and we thank him for his dedication to us. Jim was a pilot in WW II flying heavy bombers.

On the afternoon of October 17, the United States Air Force Band will be giving a free concert in the Shrine Ballroom.

The Imperial in Toronto is over and we hope everyone enjoyed the trip and got back home safely. Next year, it will be in Denver.

Our Flying Nobles meeting is on the second Saturday of the month, and we hold our meetings away from OSU occasionally. If you are unsure of where we will meet, call one of the officers. The meetings are at 10:00 a.m.

The B-17 was at Bolton Field in June and the Ford Tri-Motor was at OSU, and you could ride either one if you wanted to spend the money. The Ford cost was reasonable but I don't know how long of a ride you got. I know the four engines of the B-17 cost a lot of money to operate, so the cost is high.

We took in 33 new Shriners on May 15 at the Ceremonial and the next Ceremonial is October 2.

Everybody stay well and enjoy the summer. Better days ahead!

MEMBERSHIP ON THE MOVE *by Calvin Smith / Membership Marketing Director*

Aladdin Is A Winner

Aladdin has been notified it is a recipient of the 2009 Imperial Silver Membership Award. To all who helped with our 2009 membership campaigns, whether by signing a petition or calling on members regarding their annual dues, here's a very sincere and thrilled "tip of the fez." Hard work does pay-off!

Message of Reflection and Purpose

I'm glad it's July. Hockey has a champion and so does the NBA. Very soon the NFL goes to camp and next month our Ohio universities, colleges, and high schools go back to football. Yes! July the Fourth was weird for me. I was in Canada attending the Imperial Council Session; they don't celebrate our Independence Day.

You know me and history. When our forefathers gathered in Philadelphia and crafted our Declaration of Independence, the only fireworks were inside the meeting room. What a beginning! If Vegas had existed, the odds on our survival would have been very long.

The same was true of our fraternity. Masons were given an even stormier start in good old England. Forced to be an underground band of loosely joined groups, constantly on guard against discovery, our odds of survival were even longer than those of our patriots.

Shriners had a better than even odds start at the Knickerbocker Cottage in Manhattan when William Florence and Walter Fleming created the Shrine on August 13, 1870, and were later joined by eleven other Masonic Brothers on June 16, 1871. The impact of this

initial group did not, of course, reach or have the historic significance of the group of separatists who put their very lives on the line in 1776. It did not attain the significance of our early brothers who risked arrest and possible death every time they chose to meet.

But we forever changed the world of children with little or no hope of medical recovery from crippling illnesses. We did not start right away. Taken by a visit to the Scottish Rite Hospital for children in Atlanta, Imperial Potentate Freeland Kendrick undertook the campaign to launch our philanthropy. The resolution to form Shriners Hospitals for children was enacted in June, 1920, and two years later the cornerstone for our Shreveport, LA Hospital was laid and the greatest philanthropy in the world came to fruition.

So here we are – born in forced secrecy, nurtured by fearless patriots, and created by an actor and a physician – the care gives to hundreds of thousands of children at no cost to their families.

When we became Shriners, we swore an oath to maintain this philanthropy in an atmosphere of fun and fellowship. Continue the crusade; pay your annual dues and reap the silent rewards that good men understand.

Hardin County

by Ken Rossman

Our regular meeting was our Annual Potentate's Night. Because of the recent rains, we moved our meeting from Don Doll's pond to the community building at Hardin County Fairgrounds. We had great weather and our total attendance, including Ladies and 57 guests from

Aladdin, was 140.

President McKee introduced Potentate Estell and his Lady Carol. McKee gave a cash contribution to Lady Carol's project which provides material to children with extended stays in the hospital. A \$20.00 gift gets a beautiful pin and helps the fund.

President McKee made a cash donation to Potentate Estell for Aladdin Temple. Past Potentates and their Ladies were introduced: Terry DeVassie and Lady Fay - 1995, Michael Clevenger and Lady LuAnn - 2003, Thomas Colburn and Lady Becky - 2000, Calvin Smith

- 2005, David Mowry and Lady Kathy - 2007, Daniel Stainbrook II and Lady Ann - 2008, 2009. Other guests from Aladdin were introduced.

Potentate Estell made a gift presentation to President McKee from Aladdin. Noble Rossman gave a prayer to close the meeting. We then dined on a great meal topped off with Noble Tim Jolliff's deep dish pie and ice cream.

The kitchen crew was Nobles Gilbert, Walden Gannon, Michel, Osborn, Matteson, Rice and His Lady Betty Fitzgerald, Lew Hanna and his Lady Judy, and Tim Jolliff.

The weather was good and it was a good evening for everyone. Noble Musselman still needs a lot of help for the Relay for Life breakfast on July 24 at the fairgrounds. He can be reached at 419-673-0171. Give him a call if you can help with this important project.

We congratulate Noble Dick Jones and his Lady Janet on their 50th wedding anniversary. We say "happy birthday" to Nobles Ray Peterman (93) and Bill Clinger (82).

We must remember, in the words of our Potentate, "Aladdin is Building a Man; Helping a Child."

A full Tabloid report will be given at our next meeting.

Marching WITH THE LEGION

by Dick Luckay

PICNIC REPORT – “One of the best ever!” That was the general feeling of all the 47 Legionobles, ladies, and guests who attended this year’s Legion picnic. LN Fred Kreutz and Lady Gail served as host and hostess at their home and the weather cooperated to make sure it would be a special occasion. Food and libations were in evidence and readily consumed as were the offerings of the overflowing food table. Fun, food, and frivolity were the orders of the day. We were honored by the presence of Potentate Bill Estell and Lady Carol. They seemed to feel right “at home” and we were pleased we were able to provide a memorable experience for all those in attendance. That would include LTC Jim Rock, US Army (Ret) and his Lady Linda. Jim was sworn in as a member of the Legion in the afternoon. Welcome aboard, Jim. The Legion can always use good men – especially if they can march. Special thanks go to Fred and Gail for allowing us to gather at their beautiful home site and to Commander Bogart and all who assisted in making the 2010 LOH picnic one to remember.

SPECIAL DAYS FOR SPECIAL PEOPLE -- Those wedding bells will be ringing out memories again this year for Chester and Janice Van Horn (8/7) and Fred and Gail Kreutz (8/28). Birthday candles will be lighted for Bev Witter (7/21), Gail MacCall (7/23), Mary Jean Swenson (7/31), Guy White, Sr. and Lucy Ozvat (8/5), Joann Bogart (8/9), Lil Woodworth (8/10), Judy Farrone and Linda Pini (8/14). May

your special day add another page to your wonderful memory scrapbook. God Bless.

UNSUNG HEROS – There are some members of the Legion who are involved in projects or events they don’t seem to talk much about – yet they perform special services for others that should be recognized. Commander Gary Bogart is one such individual. For over 20 years he has provided thousands of children with his special “Bogart Go-Kart” for their pleasure and enjoyment. He scrounges scrap lumber where ever he can find it and shapes it into little 6 to 8 inch wooden cars. He buys (literally) thousands of little wheels and attaches four of them to each car. He distributes the cars to Shrine hospitals, other children’s hospitals, schools for the blind, and even to the Dublin emergency squads (who give them to children they are transporting). The children love them and they have even set up “Bogart’s Speedway” at the School for the Blind where they race the cars – similar to the Cub Scout Pinewood Derby. As a member of the Telephone Pioneers, Gary has, for many years, arranged to bring fifty sight-impaired children (and their “sighters”) to the Aladdin Shrine Circus for a special day of fun, food, and enjoyment. When questioned about all the time and effort involved in his activities, he merely shrugs it off with a simple: “I’ve got the time – and the kids seem to like it.” They certainly do Gary, and we are proud of what you have done – and continue to do. GARY BOGART – UNSUNG HERO!

Many thanks go to 31 members who participated at the Memorial Tournament parking cars. Eight men worked all seven days and two only missed one day. Two of our men worked at a fence cut for five days. Surprisingly, the grass lots held up well in spite of the rain showers during the week. Daun Knox and Gary Fortner did an outstanding job coordinating assignments.

It looks like 13 members, plus spouses, attended the Imperial Session in Toronto.

Our unit attended the Plain City Steam Threshers Parade in July and is planning to attend the Baltimore Parade on August 7 and the Bucyrus Bratwurst Festival Parade on August 20.

Our annual summer picnic will be Sunday, August 15 at Liberty Township Park, Shelter House #4. Details were sent to all unit members in our June newsletter. John Sanborn is chairman for this event.

Ed Dressel has been appointed as a trustee of our executive board. He fills the vacancy created by the death of Chuck McLeod.

We have received word that John and Regina Price have moved into Scioto Retirement Village on Obetz Road. John is experiencing some health issues and is using a walker.

Pat Whittington is having health problems and she and Bill were forced to cancel their plans to attend Imperial in Toronto. John Mashburn is wearing a heart monitor but is doing well. He worked two days at the Memorial Tournament. Lorena Long continues to have leg problems as a result of her previous back surgery. We wish all of our walking wounded to have speedy recoveries. Also, Lyn Marsh and Ed Holter need our thoughts and prayers about their very serious health issues.

Patrol..

Sorry about not having an article in June, but too many things to do and time got away! Well, July is here; how did it sneak up on us so fast?

Our only Patrol member at the Imperial Session is Dave Wolfe, and we won't have a report from him until next month. Hope Toronto is not as hot as it's been here.

The Memorial Tournament was wet and hot – at least it wasn't snowing! Captain Arlan wishes to thank all the Patrolmen, their Ladies, and friends who volunteered.

Our Appreciation Get-Together will be held July 12 at the Aladdin Shrine Center. It was nice to have some of our other volunteers return again this year. Without volunteers, the Memorial Tournament couldn't happen!

Noble Lawrence Bailey and Lady Frances celebrated their 60th wedding anniversary and are appreciative to all who extended congratulations.

Don't forget, if you haven't paid your dues, please send your check to Mike Clevenger for \$10.00. That's all for now.

Just Clowning Around by Jeff "Cee-Jay" Carter

Howdy, Nobles who would ever guess that I would be at a loss for something to say? Don't say it! You can think it, but don't say it. There has been a lot going on lately. Your clowns turned out for the Utica Ice Cream Festival and received the best unit award. You would have thought we would have won the award for most ice cream consumed. The clowns turned out for the Worthington parade only get to get rained out. We'll get-er-done next year.

By the time you read this the Dublin Fourth of July Parade will be in the books. That's a parade the clowns all look forward to doing. We will also have had the Clown's Ladies Party/Potentate's Visitation.

In our sick and lazy report, Steve McKitrick is doing much better after his time in the hospital. Steve is back to work or whatever you call what he does. Bobby Barton spent a little time in the hospital and is back to work. For a retired guy, he sure puts in a lot of hours. My buddy, Matt Knight, is having some medical issues. We all hope he gets straightened out soon.

Seems these days, a lot of the clowns or family are having medical issues. Let's say a prayer for all of these guys and their families; after all, we are all one big family. Wow, that's a Jerry Springer episode waiting to happen. Seriously, Nobles, a prayer couldn't hurt.

In closing, I was very lucky to sit down and share breakfast with three other clowns the other morning. Hobo Freddy, Z-krown, Nutt, and I spent a fun couple of hours joking our way through a good meal. What great friends! Take care and have a great day.

Reception Unit *by Don Owens*

Coming in September - Units to Vie for Aladdin's Cup

The Memorial Golf Tournament was a success this year, as far as the Reception Unit is concerned, but not without its challenges. The unit was assigned some additional responsibilities, which Clyde Yarnell, Charlie Harger, and the rest of their team had to scramble to fulfill. If we want the upward trend to continue, it may be necessary to look harder beyond the unit for volunteers

The Annual Breakfast with the Ladies, held on June 19, was enjoyable and well attended, as always. Past Potentate Dan Stainbrook was given a handsome plaque memorializing the award of a life-long honorary membership in the Reception Unit.

Past Unit Director Mike Johnson's long, distinguished service to the unit was recognized with the gift of a plaque and an award of the title, emeritus director. This title is reflected on a new fez with which Mike was presented by Potentate Bill Estell.

Which is the smartest Unit or Club in Aladdinland?

The unit is planning an "in-the-know" type quiz contest among the units of the Aladdin Shrine. Proceeds will benefit the Reception Unit,

but will serve the additional purpose of funding a sizable donation to the Aladdin Building Endowment Fund. Teams will be formed to represent the units in a competition for bragging rights as the Aladdin Temple's brightest and best.

Letters have been sent to units and clubs inviting participation in the contest for Aladdin's Cup, which will go to the winner.

The Reception Unit committee organizing this is headed by Mike Johnson, with George Kosbab, Jack Davis, and Aaron Dominey participating. Aaron is the go-to guy for registration.

The time frame for the contest is September, with pairings being announced at the Stated Meeting on September 20. Preliminaries will be held on the September 23 and semi-finals and finals will be September 30.

Next month's activities will feature the Imperial in Toronto, July 4-8, as well as parades as noted in the unit calendar.

A safe and happy summer to all!

Bucyrus *by Gene Diller*

The Bucyrus Shrine Club opened the meeting with the prayer lead by Noble John Miller. The Pledge of Allegiance was lead by President Noble Tim Miller.

The Back Road Restaurant of Bloomville, Ohio catered the meal. The food was ham loaf, salad, red potatoes, green beans, and pie.

A moment of silence was given for the United States forces and victims of the BP oil spill.

The secretary's report was read by Noble Secretary Gene Diller. Noble Treasurer Pete Roll reported May's balance. The Bucyrus Shrine raised a total of \$11,711.21 for the Tabloid.

Sunshine Report: Noble Harold Miller is recuperating at Heartland Nursing Home with hopes to be back home soon.

The Bratwurst Festival, according to city officials, is going to be complete with parades and the festival during the third weekend of August. The Bucyrus Shrine Club will be feeding the Aladdin Shriners at the fairgrounds Youth Building on Friday after the parade.

Steubenville *by Anthony Violi*

The meeting on June 3 of the Steubenville Shrine Club was called to order by President Richard Hazelip at 7:30 p.m. by leading the Nobility in the pledge to the flag of our great country. Prayer was offered by Chaplain Noble Richard Moffatt.

The Black Camel visited our club taking Nobles Arthur "Bill" Kunkle and Al Hayes (former fellow teacher) to their eternal resting place. May the Lord grant them peace.

Several Nobles and members of their families were reported ill. The Nobility wish them a speedy and successful recovery. It was good to see Past President Noble Al Dubois in attendance. He moved from this area and relocated in Pataskala, Ohio.

Transportation Chairman Noble B. J. Johnson reported one child was taken to Erie in May and one child was scheduled for surgery on June 22. While in Erie, he attended the Board of Governors meeting with our representative, Noble Ken Gorney.

Building Chairman Noble Jim Halstead stated the grass cutting tractor has been repaired and he would appreciate help with outside maintenance in order to keep our facilities in top condition.

Tabloid Chairman Bill Alexander reported a successful Tabloid Day with nearly \$3,000.00 collected. Bill was recognized for leadership.

Nominations were accepted for our Board of Control. Only past presidents are eligible to hold the position. Nominated, elected, and installed were Nobles Dave Hunt, Charles Morris, and Craig Gorney.

Congratulations go to Noble Leonard Morris and his Lady Clara who celebrated their 50th anniversary on June 30. Attending were their children: Jackie from London, England; Lenny from Birmingham, Alabama; and Cindy from Wintersville and their grandchildren.

A closing prayer was given by Chaplain Moffatt. The meeting adjourned at 8:45 p.m. Refreshments and fellowship followed.

GOD BLESS AMERICA!

HILLTOP SHRINERS

by Ray Pendell

The Memorial Tournament is history now and Memorial Chairman David Ray was able to organize the gate cuts for two houses. "Thanks" go to David and all the volunteers who helped on this task.

Tabloid 2010: We were on the streets on May 7-8 and May 22. It was organized by Gene Dew and Dick Ham and it was very successful in spite of the non-participation of many businesses. We were able to cover only two businesses – Walmart in Grove City and Walmart on Hilliard-Rome Road. Coverage on Tabloid Day generated about \$5,000.00. An additional very generous donation by one of our members and the efforts of our Jug Runners (Duane Hivnor, David Ray and Al Williams) during the year generated over \$7,000.00 making a total of over \$12,000.00 for the Shrine Hospitals. Thanks and a "tip of the fez" go to all who were able to help. "Special thanks" go to Dick Mowery for allowing us to use Mowery Collision facilities for our staging area. **We are already working on Tabloid 2011!**

June's meeting was moved to May 26 and was held at the Hometown Buffet. We were honored to have PP Dan Stainbrook and his Lady along with our speaker, Chief Rabban Steve Hathaway. Steve informed us of the work at the 22 Shrine Hospitals, the adjustments being made to keep them operating, and the many problems to be considered at the Imperial Session.

Scholarship Chairman PP George Kosbab covered questions on our Scholarship Program (awards to be made at our December meeting) and outlined the application process. Applications will be mailed with our August newsletter and are available by calling 614-279-2664. Please call if you want one now.

Our next meeting will be the Potentate and Divan visit in September (ladies night, too), reservation form will be in the next newsletter.

Southeast by Cecil Moore

There was no meeting in June; however, we wish to send our message to all who will read it.

We need more members in our club. If you would like to be a member and join in our group, please call Pete Ransburg at 614-657-7667 or me, Cecil Moore at 614-759-9357. We would be pleased to have you. Remember your spouse or lady friend is always welcome when you are at the meetings. We are in the summer recess at this time and our next meeting will be September 23. Join the club at this time; come out and help with our fish fry on August 6. It is our only fundraiser for the club. We all work hard at it and enjoy the time together. The ladies come out and work as hard as the Nobles, and we appreciate all the help they give – including the pies and cakes they donate.

That is all for now. We will see you at the fish fry. If you have any questions about it, please call Pete or me. Until later, so long.

Brutal Brothers

by Ron Martino

We are now into the dawg days of summer. I never figured out why dawgs got days? Something to do with being good pets. Cat days are 365, and don't ever forget it.

Hope everyone had a fabulous Fourth of July and got to watch the fireworks where ever you were at the time.

The Brutal Brothers Unit is dark during June through August months, so all I have is news from members.

Our annual Steak Fry is August 7 at Waller's Lake Resort. We always have a great time with plenty of Camel's Milk, leaded and unleaded. This is a fun time with the volunteer workers from Muirfield Tournament getting to mingle with all of us good guys. HA!

Sunshine News: Frank Healy went in to have three stints installed for a stomach aneurysm and he will be laid up at home for awhile. I talked with him and he is doing great as of the June 16. Get well quick, Frank. Dick Slagle is out of the resthome and getting TLC at his friend's home.

Chief Tabit's Upcoming Dates to Remember: Steak Fry is on August 7 and he asks for help in cooking, salads, and a good Camel Milk pourer. The trip to the Cincinnati Burns Hospital and attending the Reds vs Cubs baseball game will be on August 28. If members and wives are planning to ride the Big Red, please have your names on the list by August 1. Chief Tabit is getting a block of tickets so all can sit together.

Chief Tabit attended the Imperial in Toronto by hauling the Legion of Honor float behind his truck and on the trailer.

Remember to get me news, BEFORE the 20th of each month.

And to correct last months quote, 'FREEDOM IS NOT FREE.'

Aladdin's CAR CLUB

by Chester Van Horn

The Aladdin Car Club met at Bob McDorman Chevrolet for its May meeting. The general manager showed us Bob's very impressive collection of Corvettes and Chevrolets, as well as his collection of neon signs. Big thanks go to our member, Larry Jarvis, for arranging the tour.

Following the tour, members and guests traveled to Bob Evans for dinner and for a short business meeting led by President Chester Van Horn. In attendance were over 20 members and guests.

Fred and Bev Coventry will host our summer picnic on August 8, 2010, at 1:30 p.m. at their residence. More details on the picnic will be mailed to members by Secretary Jim Allen. Door prizes for our car show are to be brought to the picnic. A short discussion was held concerning our upcoming car show at the Aladdin Shrine on August 21.

Provost

by John Rohal

June's meeting was not as well attended as our other meetings. Maybe the Memorial Tournament wore us all out. The meal was excellent. Now we have a two-month break to catch up on other things.

We took care of approving the payment of any bills that might be received during the absence of our summer business meetings.

Upcoming Events: Director Jon reminded us of our unit picnic on August 7. Reminder cards will be mailed. Remember, this picnic is for all members and their families. The Car Show and Corn Roast is August 21 (parking detail), the Columbus Clippers Shrine Night is August 27, and the Aladdin Stag Picnic is August 28.

Charles Linek advised he could use more volunteers for the Nationwide Golf Tour, July 23 - 25 at the O.S.U. golf course.

New Members: Voted into unit membership were Christopher Baer, an attorney, and Ronald Burke, of the Fayette County Sheriff's Department.

Dale recognized John Bivens, Harold Nairn, and Jim Rohal who worked 12 hours each day for the week at Muirfield. Russ Miller reported the work of the Historical Committee, which involves research of the past 40 years, be finalized by October.

Celebrating birthdays in July are Robert C. Albright, Howard L. Beane, Michael R. Bowers, Donald L. Cox, Franklin D. Edwards, Christopher P. Fannin, Heber M. Fellure Jr., Gary L. W. Hamre, Charles D. Law, Harry A. Lewis, James C. Light, Jon F. Rhoades, John W. Rohal, Malcom C. Talbot, William W. VanGundy, and Arthur L. Wilson.

Our sick includes Jay Devoll who is recuperating at home and is now able to walk with a cane, and former treasurer of the unit, Phillip Vermillion, who has lung cancer. Glenda Wolfe, wife of our Divan Representative David E. Wolfe, had recent heart surgery.

Our condolences go to the family of James H. "Herb" Leadingham who was taken by the Black Camel. Herb's son, Danny, is also a member of the Provost Unit.

Don't know how many observed the new security guard as we entered the building - Irv Denune. He was trained by our own Terry McLaughlin. Wow, talk about the blind leading the blind. Did anyone notice that someone dropped and broke a glass at the bar, and observe how quickly Bob Cannon reacted and swept up the mess? Well, it got him a free drink. (By the way, Ann, the bartender was a female.)

It's that time when we report on the Muirfield happenings. Let's start with poor Russ Miller who lost his drivers license. He had some sorry excuse to blame a Muirfield office employee. However, it was returned through the lost and found via a concession stand. He also took a pretty good fall when he stepped off a curb too fast; got a nice scrape on his arm. At our June meeting, he attended wearing a blue Memorial Tournament admissions vest; guess he somehow forgot to turn it in. Since we are talking about Russ, we must commend him and Terry McLaughlin for their excellent auto body repair skills. They were able to rub out the nasty scratch Dale Cline put on his tournament issued car.

Dale attended a VIP breakfast every morning which did not deter him from showing he was a really "nice guy." He treated Katie to a breakfast at Wendy's afterward. No wonder he was unable to find her Sunday morning.

Harry Lewis received a sandwich for lunch which had a dead fly on it? Guess that's what happens when you arrive an hour late for your assignment on the first day. Edgar Everhart, who was supposed to be in charge of the 745 parking lot, conned Gene Steineman into taking his issued cellphone so Gene could take all complaints instead of him. I understand someone was nice enough to send Edgar a bag of potato chips which the "old grouch" promptly crushed and was intending to return it to the sender at our June meeting. I guess he thought better of it.

How can a bald headed man forget he wasn't wearing his ballcap? Just ask Ben Owings!

To express our appreciation for help from other units, we reserved a special parking place in A Lot for Jack Davis of the Reception Unit - right next to the port-a-potties. Several years ago while he was holding the ropes for the golfers to cross, a lady said she came to get Jack Nicklaus' autograph. He replied, "Lady, I've been coming here for 15 years and never got his autograph." Jack Nicklaus was standing behind him and promptly grabbed Jack's cap, autographed the brim, and said, "Now, you do."

I bet the members of the Past Masters Unit wondered how Tom Charles was able to obtain a parking pass for AA Lot. Speaking of Tom, how could he not see one of the workers at Gate 8? Not really at the tournament, but as an aside during it, Don Campbell attended his 50 - 60-year high school class reunion and got reacquainted with a female classmate and got himself a dinner date.

We hope you all have a very enjoyable summer. See you at the picnic in August.

Chaplain's Corner *by Chaplain Zale Maxwell*

Summer is the time for celebrations; it starts with Memorial Day and ends with Labor Day. There are many more – Flag Day, Father's Day, Canada Day, and Independence Day. It is a great time to spend on picnics, barbecues, or at a ballgame. We love a good celebration. They are even more special if they include ice cream and fireworks.

Recently, I was reminded of that one celebration that we tend not to recognize as a day of celebration; in fact, we tend not to recognize it at all. I am speaking of life.

Oh, we celebrate the birth of a child or milestone birthdays, but to some of us, a birthday is just another day. I am reminded of the story of *Alice in Wonderland* where they celebrated 364 unbirthdays. Yes, that is the spirit – celebrate life every day of the year.

The Lord has made these days for us to enjoy and we should strive to do so every day. I was reminded recently of just how fragile life is as a friend lost his son in an accident. We are given life for such a short time that we should celebrate every day to its fullest. Do something with your wife, a friend or a neighbor to make each day special.

My two younger kids returned home from college only to find,

by their standards, that there was not much food in the house. My reply was that it was summer and their mother and I were eating out most nights. They said it is expensive and I responded, "Yes, but we are celebrating."

Celebrations can be large or small, can be spent with a crowd or by yourself. The important thing is that you celebrate each day of life with the faith that comes from the Father and give thanks. These words from the French writer, Emile Zola, 1840-1902, sums it up in this way: "The only interest in living comes from believing in life, from loving life, and using all the power of your intelligence to know it better." The following verses from the Bible speak to the celebration of life: "Boast not thyself of tomorrow; for thou knowest not what a day may bring forth." (Proverbs 27:1 NIV) "Who shall not receive manifold more in this present time, and in the world to come life everlasting." (Luke 18:30 NIV)

Licking County *by Frank Boner*

The Black Camel visited our club taking two members: Nobel Johnny John, a prominent area businessman, and Nobel Andrew "Andy" Barger, clock maker. Both will be missed and we extend our condolences to their families.

Noble Otto Teele has been reported ill and would appreciate a card, call, or visit.

Licking County Shrine Youth Baseball Tournament - Chairman Terry Hill reports this year's tournament had 90 teams participating: 50 - 8-10 year-old farm teams and 40 - 11-13 year-old varsity teams totaling approximately 1,350 youth. Nobel Hill explained that, after this years tournament, over 300,000 fans have passed through the gates of the Newark's Second Street Mound City Complex.

Noble Hill explained that the Newark Summer Baseball program began in 1945 as a single game tournament, known as "Licking County Shrine Baseball." This continued until 1951. In 1952, the single game tournament was known as the "American Legion League." In 1953 and 1954 it was an "All Star" game and played at Arnold Park and White Field. Arnold Park later became the "YMCA Park."

Noble Harry Arnold, Licking County's only Aladdin Shrine Past Potentate, was instrumental in that era's summer baseball program for youth. In 1956, the tournament became the "Licking County Shrine Youth Baseball Tournament." Noble Hill explained that in 1945, the cost of admission was \$1.00 and is proudly noted that admission is still \$1.00 for everyone except the players and umpire crews. What a proud Legacy!

Next month, I will name all Nobles who participated in making this year's tournament a success, showcased the Shrine to thousands of visitors, and collected thousands of dollars for Shrine philanthropies. On July 23 at 6:00 p.m., Nobles who worked the Shrine Games are invited to Stacy's for dinner at the club's expense.

The club's next event is the Hartford Fair, August 8-14. Nobles will be collecting entrance fees at six gates from 7:00 a.m. - 9:30 p.m. daily. Contact Noble Gene Gregory is establishing shift assignments. Call Gene at 740-973-6004. This is another great opportunity to showcase the fraternity and get to know our neighbors. All Licking County Shrine members are invited to participate.

Ross County

by Jay Morgan

Back in January, we wanted the warm weather to come and warm us up. Well, I guess it has made it and seems like it went directly from winter to summer. On June 24 it was pushing 90° in the club and that kept some of our Nobles tucked in the AC someplace else.

For the Nobles who showed up, we had a great meal prepared by Noble Mike Haller. When Mike is cooking, there's no telling what you'll get, but one thing is for certain, it will be good. We had Mexican chicken, refried beans, rice, ice cream, and cookies. The kitchen help included Nobles Matt Haller, Dave Huggins, Ron Miner, and Dave Patterson.

President Terry Morris opened the meeting with the Pledge of Allegiance and the invocation was given by Noble Lloyd Trego.

The Sunshine Committee reported cards were sent to Nobles Don McGowan, Tim Trego, and Brad Burns. Our Divan representative, High Priest and Prophet William R. Amspaugh, joined us and talked about upcoming events at the Aladdin Shrine. July 27 is the Clippers Night; August 21 is the Corn Roast and Car Show, and October 2 is the full Ceremonial. He also indicated he would be helping us at the Ross County Fair by selling ice for our club's fundraiser.

Noble Don Morris still needs Nobles to sign up for the fair. The sign-

up sheets will be at the July meeting; we need all hands on deck to pull this off, so please sign up.

As of this writing, the checks for the 2010 Tabloid sales have been taken to the Aladdin Shrine Temple. As reported on page 4 of the *Lamp*, we did well for this year.

As the Tabloid chairman, I would like to take this opportunity to thank some special people: Noble Mike Haller, co-chairman for Tabloids, helped me through the many tasks that have to be done to pull something like this off. I would like to thank all the Nobles who went above and beyond and worked all day on both days to help the children. All the nobles who worked on those two days, who did anything from working to donating money, thank you. To all the Ladies who helped up at the club, you are needed and thank you. Last, but not least, a "big thank you" goes out to my lady Debbie. She was there at 6:00 a.m., both mornings, and stayed to the end. She helped fix breakfast, lunch, and dinner for nobles who were hungry. She helped tabulate the money all day and made the deposits. This is the one special weekend when all Nobles can get out in the public and talk to people about our cause. It is very important to do this for our children; they need our help. THANK YOU

REGISTRAR

Unit members – CONGRATULATIONS!

Again, the Registrar Unit showed its colors at the Memorial Golf Tournament by doing a great job with all stations manned by members. This demonstrates the commitment the unit has to this project and fundraiser. Dick Hamm is to be commended for his hard work and long hours put in each year coordinating this event. GOOD JOB, DICK!

With summer upon us, the parade season is upon us with the Baltimore Parade, August 7 and the Bucyrus Parade follows on August 20. Proper dress is required and a good turnout for both parades is requested. Call Andy Baker for answers to any questions.

September marks the start of the Delaware Little Brown Jug and the Delaware County Fair. Again, we will be staffing the courtesy

carts to transport patrons who need assistance. Tim Daniel is in charge of scheduling workers and needs your help in filling all time slots still open. Call Tim at 614-208-7637. This is one of the unit's largest commitments; so all help will be appreciated.

For all you golfers out there, I offer the following:

A bad golfer is one who address the ball twice – once before swinging and once after swinging.

If you think it's hard to meet people, try picking up the wrong golf ball on a golf course sometime.

And finally: **Q.** Why do they call it "golf?" **A.** All the good four letter words were taken.

Have a great summer. See you at the parades.

Tarhe Shrine

by David Mowry

As predicted, Tarhe Shrine Club had another successful Brown Bag Auction on June 4. The officers want to thank Illustrious Sir Bill Estell and his Lady Carol for their attendance, as well as the other members of the Divan and guests. A "special thanks" to E. C. Babbert for his services as auctioneer, once again. In typical Tarhe fashion, the Potentate's fez was auctioned again. This time Ron Hobensack, instead of the Potentate, purchased it. I'm not sure, but Hobey might actually be in charge now.

As noted in the last issue, instead of the August meeting, the club will be marching with the Divan and other clubs and units from Aladdin in the Baltimore parade. The parade will take place on Saturday, August 7. An afterglow will be held after the parade at the Baltimore VFW. Please plan on attending and participating in

and drum band. What a way to start our parade season! Yes, I said start as our first two parade efforts were rained out this season. Bagpipes just do not sound the same wet!

We are looking forward to performing in the Baltimore, Bucyrus, and Circleville parades this season.

The unit members express their sorrow to the Melroy family at the loss of their son. He had performed with our unit on several special occasions and was a fine young man. We will miss him.

The unit members express their joy to Bill and Amy Amsbaugh at the birth of a son, Parker William, on June 6. Congratulations go to Bill, Amy, and grandparents.

Two of our members played the pipes for the Lancaster Masonic Lodge #57 at their Table Lodge meeting on June 1 in Lancaster. If you know of a Lodge, church, or other occasion in which you would like to have a piper or several pipes and drums play, just let us know. If we can work out scheduling, we would be happy to oblige.

We are always looking for new members. If you have an interest in joining our unit, please let us know.
